

Second Life Poster Session

For the first time in the JCDL conference series, the poster session in JCDL 2009 will be held simultaneously in real life at the conference and online in Second Life. Authors will present their work and interact with conference attendees and people who could not attend the conference.

Time & Date: 5:45 PM ~ 9 PM CDT (GMT -6), June 16, 2009

Location: Poster island in Digital Preserve Second Life region
